FORD TRANSIT CAB CONSOLE

PART NUMBER: 36243697

PRODUCT INFORMATION

These storage compartments fit between the front driver and passenger seats of **Ford Transit** cargo vans to allow technicians to contain and lock electronics, office supplies, money, private documents, valuables and other miscellaneous items. Not only do they help maintain a tidy workspace within the cab, but also deter theft of contents or breaches of sensitive information. Additionally, they serve as a convenient surface for writing or placing devices like laptops, tablets and phones used on the job.

- 18-Gauge Galvanized Steel Construction
- Spangled Finish
- Locking Latch with 2 Keys Included
- Notebook Clip Integrated Top Lid
- Built-In Divider for Laptops or Other Narrow Items
- Electronic Wiring/Ventilation Hole
- Mounting Kit Included

WEIGHT: 23.38 lbs
