KNAPHEIDE
SINCE 1848

UNDER SHELF POWER TOOL HOLDER

PART NUMBER: 36244171

PRODUCT INFORMATION

For quick and convenient access to cordless drills and more, arguably some of the most essential power tools for today’s mobile workforce, Knapheide offers a practical holder that mounts securely under the top shelf tray of its fixed van shelving. This solution is an excellent alternative to storing power tools in toolboxes or on shelves where they can topple over or shift around, ensuring easy organization and accessibility while on the go. • 18-Gauge Galvanized Steel Construction with Spangled Finish • Holds up to 4 Drills and includes Abrasion Protecting Trim • Mounting Kit Included	**WEIGHT:** 4.09 lbs
