UPGRADEABLE SHELF 14" D X 38" W

PART NUMBER: 35671671

PRODUCT INFORMATION

Adds an additional tier of storage to your Knapheide fixed van shelving unit. Users can customize the system further in one of two ways. They can incorporate a variety of storage boxes and box slides, allowing containers to slide in and out like drawers or be fully removed from the shelf. Alternatively, a bolt-on shelf lip and dividers can be added, offering adjustable shelving that accommodates changes in contents over time. Any upgradeable shelf add-ons must be purchased separately. • 18-Gauge Galvanized Steel Construction with Spangled Finish • Mounting Kit Included • 200 lbs. Per Shelf Load Rating	**WEIGHT:** 12.51 lbs
