UPGRADEABLE SHELF LIP 38"

PART NUMBER: 35671689

PRODUCT INFORMATION

Convert your 38" upgradeable shelves, originally designed for easily accessing and stowing our storage containers, into versatile shelf trays instead. These bolt-on lips attach to the front to aid in securely retaining cargo and improving organization. Additionally, they can be mounted between the end panels at the base of the fixed shelving to serve as a rail, effectively keeping items in place underneath the shelving unit. • 18-Gauge Galvanized Steel Construction with Spangled Finish • Mounting Kit Included	**WEIGHT:** 2.47 lbs
