FIXED VAN SHELVING PACKAGE BP646-46

PART NUMBER: BP646-46

PRODUCT INFORMATION

Optimize the storage, organization and accessibility of your tools, equipment, materials, and other items with this **Knapheide fixed shelving package BP646-46**, designed to convert an ordinary cargo van interior into the ultimate work van upfit. This system is compatible with the van makes, models and configurations listed below and potentially others depending on their body length and roof height. For some, these street and curb side van shelves with integrated storage bins may be entirely adequate for their operation. However, the system is highly customizable, allowing you to add extra storage containers and other useful accessories. Additionally, upgraded versions are available, tailored specifically for electricians, plumbers, HVACR technicians, and general service providers for even greater productivity and capabilities in the field.
